OUR VISION

LEADING THE FUTURE OF WOUND CARE

To be a globally recognized leader in advanced wound care by delivering innovative, reliable, and clinically effective solutions that improve patient outcomes and quality of life.

OUR PHILOSOPHY

WHERE SCIENCE MEETS CARE

Because healing is not just a process—it's an experience defined by trust, precision, and care

At Meghdoot Pharma, innovation and compassion go hand in hand.

Our solutions are built on a foundation of advanced scientific research combined with a deep understanding of patient and clinician needs. Every product is thoughtfully designed to ensure effectiveness, safety, and comfort.

By leveraging cutting-edge materials and clinically validated designs, we enable faster healing while maintaining the highest standards of care.

OUR FLAGSHIP BRAND

MEGHdin – ADVANCED ANTIMICROBIAL DRESSING

MEGHdin is designed to deliver superior wound protection, comfort, and healing performance — reflecting Meghdoot Pharma's commitment to quality, patient safety, and clinical reliability.

MEGHdin™
Povidone Iodine
Non-adherent wound dressing
10% U.S.P. (available Iodine 1%)

Antimicrobial Action

Povidone iodine-based ingredient

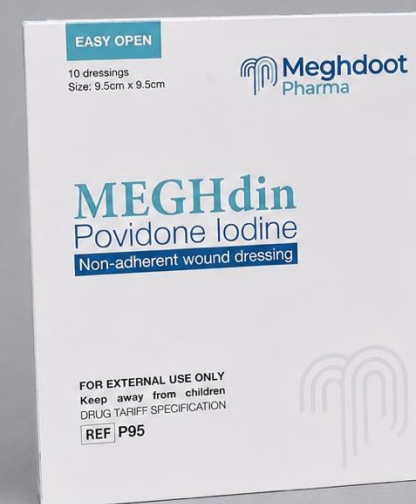

Patient Comfort

Gentle on skin, easy to remove

Clinical Reliability

Validated for real-world use

BENEFITS AND INTENDED USE

- ✓ Minor burns
- ✓ Skin tears
- ✓ Diabetic foot ulcers
- ✓ Minor traumatic skin-loss injuries
- ✓ Pressure ulcers
- ✓ Ulcers arising from multiple aetiologies

Infection Prevention

MEGHdin delivers comprehensive antibacterial efficacy against a broad spectrum of wound-related pathogens including:

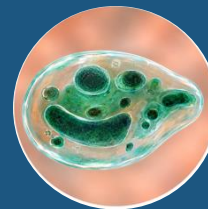

Bacteria, including
MRSA

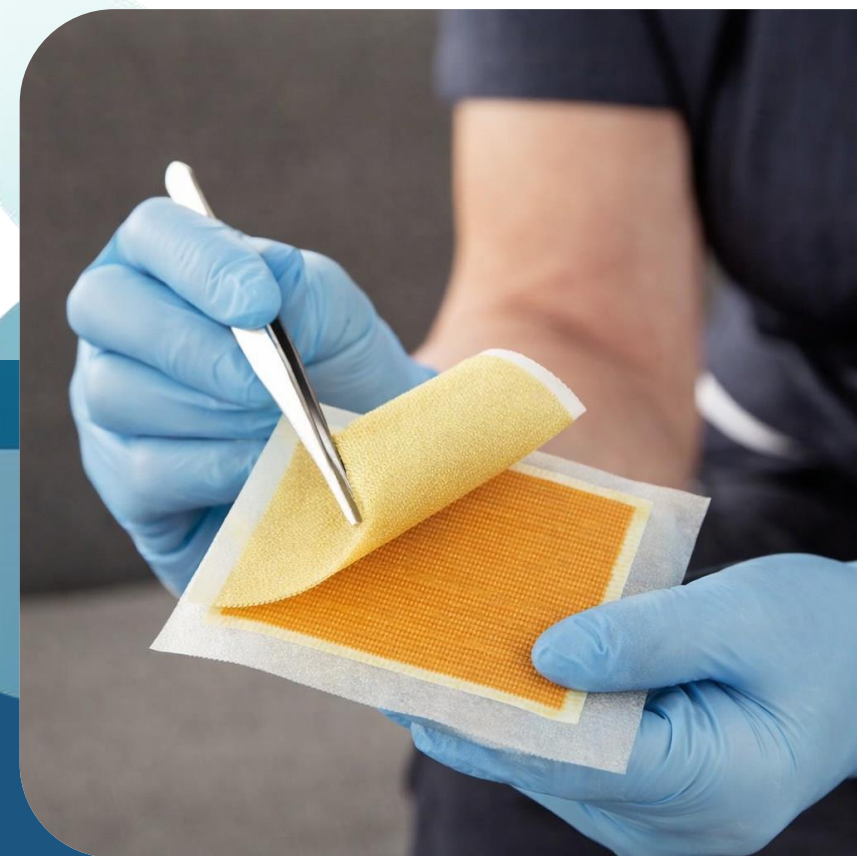

Fungi

Yeasts

Protozoa

KEY ADVANTAGES

DESIGNED FOR BETTER HEALING

Advanced Fabric Technology

Knitted viscose fabric construction offers superior flexibility, breathability and wound coverage.

Atraumatic Removal

HDPE film layer ensures smooth removal without ointment and fibre deposition.

Non-Adherent Design

Prevents dressing from adhering to the wound bed.

Reduced pain & Irritation

Minimizes skin reaction or stinging sensation.

Clean Healing Environment

No fibre residue or contamination risk.

MANUFACTURING

WORLD-CLASS MANUFACTURING INFRASTRUCTURE

Our state-of-the-art facility operates under controlled cleanroom environments, ensuring the highest standards of hygiene and product integrity.

We adhere to EN ISO 13485:2016 standards with rigorous validation and risk management aligned with global medical device regulations.

Semi-Automated Production

Efficient, consistent manufacturing processes for high-volume output.

Gamma Sterilization

Advanced microbial safety ensuring sterile, contamination-free products.

Stringent Quality Control

Rigorous testing and documentation at every stage of production.

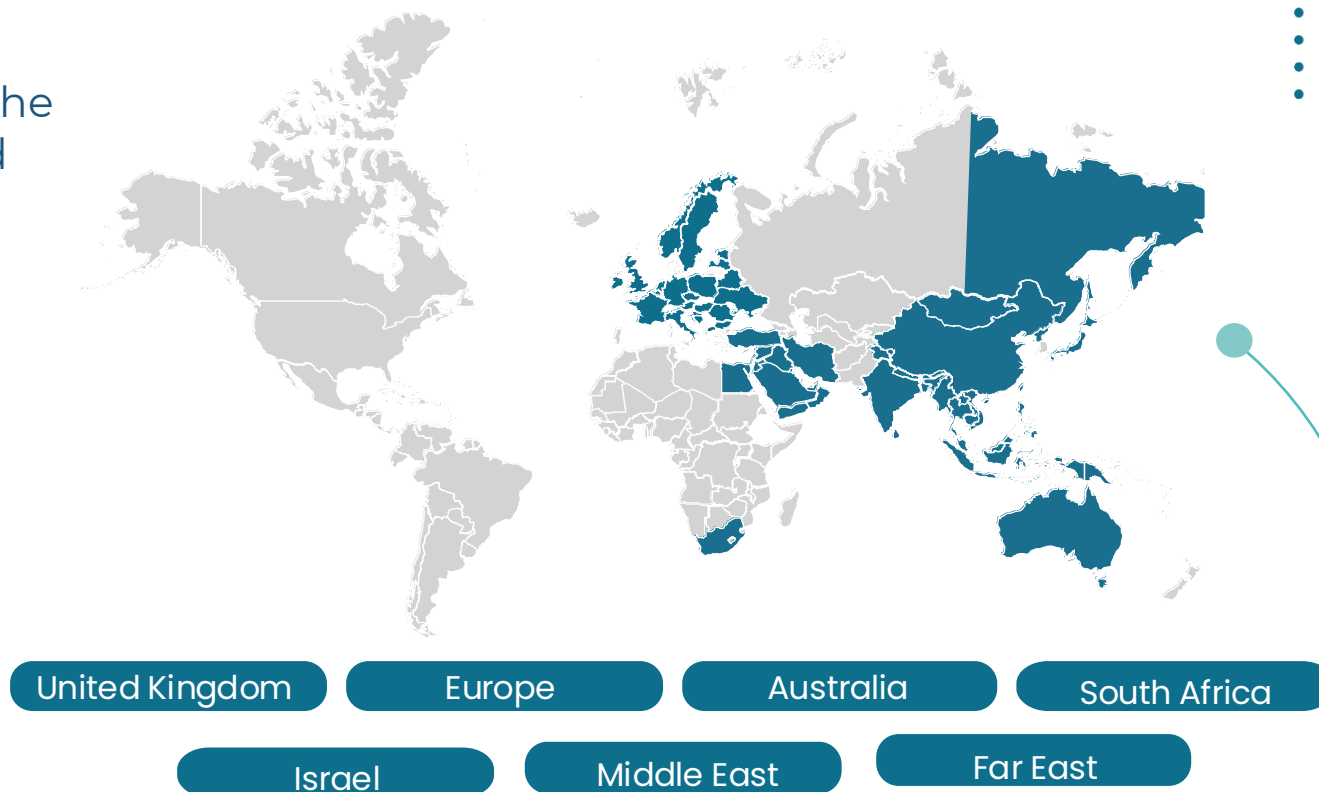

TRUSTED BY HEALTHCARE PROFESSIONALS WORLDWIDE

Our flagship wound care solutions are **CE-certified**, demonstrating compliance with the European medical device requirements and reinforcing our commitment to globally recognized standards of performance.

- ✓ Hospitals and Clinics
- ✓ Healthcare professionals
- ✓ Distribution partners / medical suppliers

Our robust global distribution network ensures consistent product availability, quality assurance, and timely delivery.

WHY CHOOSE US

THE MEGHDOOT PHARMA ADVANTAGE

Uncompromising Quality & Safety

All products undergo stringent testing and validation by independent organizations to ensure reliability and compliance.

Cost-Effective Excellence

Premium-quality healthcare solutions offered at competitive and accessible pricing.

Comprehensive Product Range

Sterile and non-sterile, medicated and non-medicated solutions tailored to diverse clinical needs.

Sustainable Approach

Committed to responsible manufacturing practices that contribute to a healthier future.

OUR PEOPLE

Visionary Leadership. Dedicated Excellence

Mr. Hemant Koradia Founder & CEO

- 45+ years of pharmaceutical industry experience
- Founded Meghdoot Pharma and built it into an internationally trusted wound care manufacturer
- Led global expansion across Europe, the UK, Middle East, Asia-Pacific, South Africa, and Israel
- Driving innovation, quality, and sustainable growth

Mrs. Kavita Thakur Petkar Marketing Head

- 15+ years with Meghdoot Pharma
- Leads global marketing and strategic partner relationships
- Drives international business development and distributor engagement

Mr. Pravin Saravaiya Technical Head

- 50+ years of wound care and pharmaceutical expertise
- Oversees product development, manufacturing excellence, and quality standards
- Ensures scientifically advanced solutions for global markets
